

Supporting documents for applications for Master's degree programmes at FAU

Applications for Master's degree programmes are processed by the Master's Office (rooms 0.032 and 0.048 (international applicants) or rooms 0.049 and 0.050 (German applicants), Halbmondstr. 6, 91054 Erlangen). The first stage of the application must be submitted via the online portal 'campo'. More information on the application procedure is available at: <http://www.master.fau.de>

Following the online application under www.campo.fau.de, all of the required documents (including your signed application for admission in duplicate) must be sent to the Master's Office by post (FAU Erlangen-Nürnberg, Referat L4 - Masterbüro, Schloßplatz 4, 91054 Erlangen). These include:

- **Paper copies of all documents which provide a record of your education** (secondary education certificate(s), transcript of records, university degree certificate (where applicable), diploma supplement, CV). Paper copies of all documents which provide a record of your education (single copies of German certificates; officially certified copies and certified translations of foreign certificates unless they are in German, English or French).
- Applicants who completed their first degree in **China, Vietnam or Mongolia** also require an APS certificate.
- **All additional documents which are required by the specific programme** (letter of motivation, proof of internships/placements, language certificates, etc.). See the table below for details.
- If you submit several applications for multiple Master's degree programmes, you must submit a separate set of documents for each application.

Please also note the following: Most of FAU's Master's degree programmes are taught in German and therefore require international applicants to provide proof of **high level German language proficiency** (usually DSH 2/TestDaF 4 or equivalent). All Master's degree programmes that require this level are marked with * in the table below. More information about German language courses, German language proficiency and equivalent language certificates is available at www.master.fau.de
